### Wednesday, 6pm - September 14th

*Gigi* is a musical comedy directed by Vincente Minnelli. Weary of the conventions of Parisian society, a rich playboy and a youthful courtesan-in-training enjoy a platonic friendship, but it may not stay platonic for long. Gaston, the scion of a wealthy Parisian family finds emotional refuge from the superficial lifestyle of upper class Parisian 1900s society with the former mistress of his uncle and her outgoing, tomboy granddaughter, Gigi. When Gaston becomes aware that Gigi has matured into a woman, her grandmother and aunt, who have educated Gigi to be a wealthy man's mistress, urge the pair to act out their roles but love adds a surprise twist to this delightful turn-of-the 20th century Cinderella story.

### Tuesday, 6pm - September 20th

*The Pirate* is a 1995 musical comedy directed by Vicente Minnelli. It is the year 1830. In the Spanish Main, local beauty Manuela Alva, is living on the island of Calvados and dreams of falling in love with the legendary Caribbean pirate known as "Macoco", sometimes called "the black Macoco" due to his fearsome buccaneering and looting. However, her guardians, her aunt and uncle, aiming to get rich, insist that she marry Don Pedro, the town mayor, an arrogant and bullying much older man. She resigns herself to her fate but before the wedding, in nearby Port Sebastian, she meets by chance a troupe of traveling circus actors, led by the handsome Serafin. Attracted to each another but, while Serafin wants to woo Manuela, she refuses his advances claiming to be promised in marriage to Don Pedro.
